Exchequers Report

We currently have \$3,329.26 in our account.

The name on the bank account has been changed to ASCA – Barony of Ruantallan, confirmed back to us by the bank on 20th June.

Lady Katherine has agreed to be my deputy and is now a signing officer

We will be requesting a bank card that will be used for deposits only (no withdrawals)

I would stress to the Cantons that they should also be ensuring the name on their bank accounts is ASCA – Canton/Cantref, as in Nova Scotia the SCA Inc. is still not a registered company and therefore not entitled to the protections thereof.

I have several items for new business which are on a separate sheet.

In Service,

Rebecca
